

## Accessing the Enterprise Consulting Technologies FTP Server

# Windows

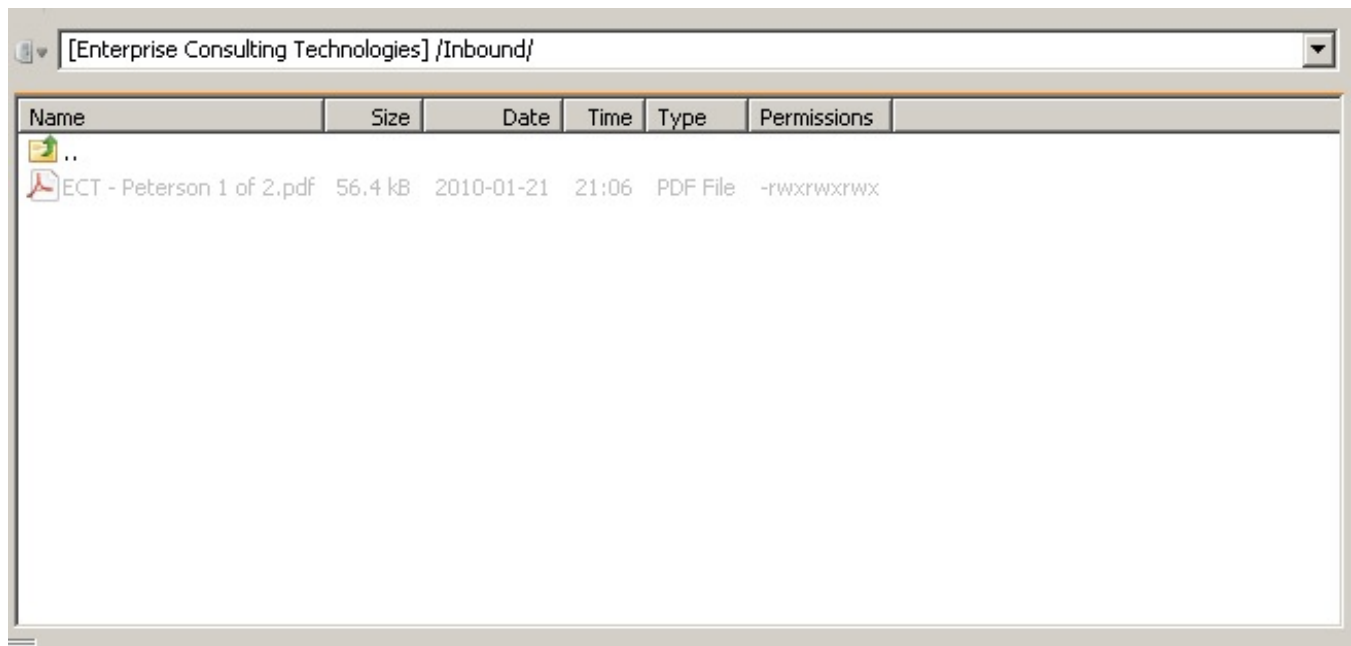

Please follow the steps below to access our FTP site:

- Download the 'ECT\_FTP\_Win.zip' folder at <http://enterprisect.com/ftp.html>
- Click on the 'ECT\_FTP\_Win.zip' link
- After the file is done downloading... double click on the ECT\_FTP\_Win.zip file on your desktop
- Install the 'CoffeeFreeFTPInstaller4.2.exe' Installer to install the Free FTP Application
- Launch the CoffeeFreeFTP Application
- Under the 'Server' button fill in the following information:
  - **Host:** ftp://homenet22.com
  - **Username:** ectftp
  - **Password:** ect
  - **Port:** 21

## Enterprise Consulting Technologies

If you are uploading a file double click on 'Inbound' to upload a file under 'Remote Site' on the right hand side of the CoffeeFreeFTP Screen.

Drag and drop the file you want to upload to the Inbound Folder.

When the file is done uploading quit out of the CoffeeFreeFTP Application

If you have any question or need assistance please call 313 680-1782 or email [mray@enterprisect.com](mailto:mray@enterprisect.com)
